POW WOW MEANS GATHERING OR CELEBRATION

Over 5000 people join us in this celebration
WE INVITE YOU TO JOIN US THIS YEAR!

Traditionally, a Pow Wow was an annual event held in the spring, after the winter snows had melted. It was a time to celebrate the renewal of life. It was a time to renew old friendships and form new ones. It was an opportunity to hold naming ceremonies and other traditional honouring ceremonies.

Pow Wows are still an important part of the lives of many Anishnaabeg and are held every weekend from early spring to late fall throughout Canada and the United States. Many families join the 'Pow Wow Trail' and camp along the way. There are often impromptu singing and dancing competitions at the campsites.

SPONSORSHIP OPPORTUNITIES

2026

Curve Lake has developed a number of opportunities for your company to gain exposure and engage with community through sponsorship. Your sponsorship will support the preservation and celebration of First Nation culture and heritage in Curve Lake First Nation and is a chance to align yourself with a culturally significant event.

As we are accepting sponsorship and donations from individuals, organizations, and corporations, we have devised a tier system of recognizing businesses and individuals during our Pow Wow
